RESPECT

An international highlight

If you're looking for an international competition, the Bayern Trophy is definitely the perfect choice. The tournament is a highlight on the international calendar. It is a summit between teams from Northern and Southern Europe. The previous edition of the Bayern Trophy certainly did not disappoint, with around 100 teams from over 12 different countries taking part: from the Balkan states to Denmark, Ireland to Slovakia and everything in between. The tournament is the pride of Heimstetten, Ismaning and Karlsfeld, Three friendly suburbs near the Munich Northeast ring. Although the competition on the pitches is the top priority, it is also good to know that you can hop on the suburban railway (S-Bahn) and reach Marienplatz, Munich's central square, in no time.

The atmospheric centre is full of old Bavarian architecture, lively shopping streets and numerous terraces that are pleasantly filled during stretches of fine weather. Munich is definitely worth a visit!

Allianz Arena

The Allianz Arena is the FC Bayern Munich stadium. The white exterior is illuminated in a wide spectrum of colours, so you can spot the stadium from a great distance. Always wanted to see the inside? Well, it is possible! Among other things, you'll also be able to enjoy a guided tour of the training complex during your visit. You can also visit the FC Bayern Experience. Here, you'll learn everything about the club's history and, after that, you can buy some great FC Bayern Munich souvenirs.
