RESPECT

A top combination

There are many reasons to take part in the Toscana Cup. The tournament takes place in a beautiful location where the mountains of Monte Romitorio reach almost to the Etruscan coast. In addition, participants will be staying at the Park Albatros Village, a holiday village entirely designed for families with various facilities for youngsters. The park is set in a centuries-old typical Tuscan pine forest and a short distance from the beach in the historic Val di Cornia Nature Park. And then there will be football on the sleek grass pitches of the sports parks in San Vincenzo and nearby Venturina. The organisers are ready - you are most welcome.

Touristic information

San Vincenzo

Don't expect a busy centre full of shops with the famous brands in the shop window here. San Vincenzo (population 7,000) does have kilometres of sandy beaches that is interrupted at the historic centre by a large marina. On the south side of the port, there is an attractive promenade along the waterfront with restaurants, terraces and cafés. The cosy centre of San Vincenzo behind the port has a number of - partly car-free - shopping streets.
